## **Panel Presentations:**

### **Livable Communities Project**

*The Social Planning Council Kitchener-Waterloo collaborated with the Canadian Centre for Disability Studies (CCDS) in Winnipeg, Manitoba on a project to assess the livability of communities for those who are aging with disabilities and for seniors who are aging into disabilities. The project took place between January and March 2009 and included information gathering and community discussions to test two tools that CCDS developed.*

### **Community Support Connections Merger Experience**

*Journey to Merger: enabling seniors and adults with disabilities to live at home with independence & dignity ... our local story.*

### **Discussion:**

*How do our agencies contribute to a livable community?*
