## Ice Cream Social

### WHO, WHERE & WHEN

St. Andrew's Church & the neighbours of Highland-Stirling-Mill.  
St. Andrew's Memorial Anglican Church. Saturday, June 10, 2017.

### WHAT

*"We offered free ice cream and apples, and also set out a brief survey for people to fill out. It asked questions about people's hopes and concerns about the neighbourhood, and how they envisioned the church's role as a fellow stakeholder in the neighbourhood."*

### TO BE MORE INCLUSIVE...

*This activity was advertised in many ways - Facebook, posters, church announcements, church bulletin, sidewalk chalk, and a large lawn sign.*

*This activity was timed to coordinate with the MCCC BBQ*

*This activity was held outdoors, where everyone could find and access it.*

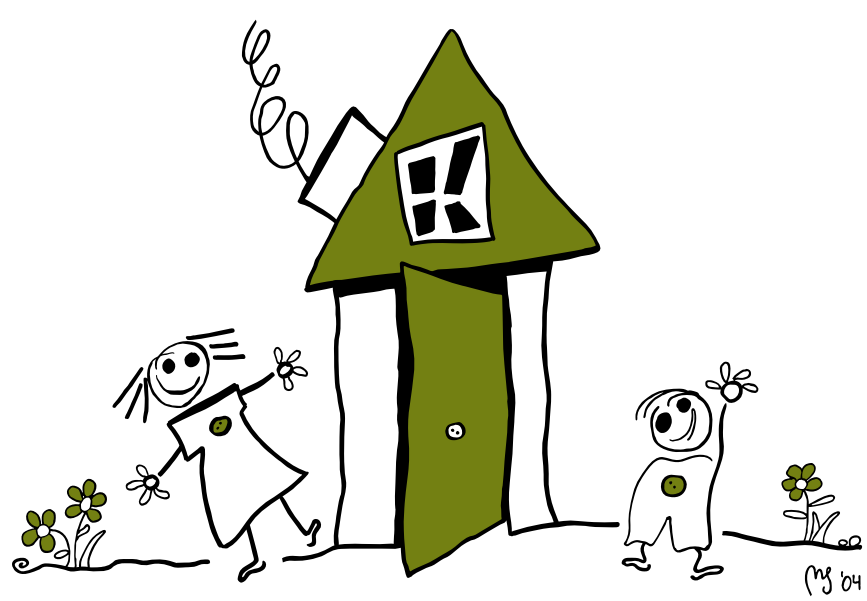

*Apples and gluten-free/nut-free ice cream were available for those with dietary restrictions.*

*This activity was free.*

### SUCCESS!

*"The activity took place on the church grounds facing Mill Street, close to the bus stop, allowing pedestrians, and cars to see the event. We provided a space for neighbours to get to know one another and they expressed a desire for more community events to draw people together."*

Festival of Neighbourhoods  
✿ Kitchener ✿

*"Neighbours met in an organic way, which we hope will lead to goodwill and co-operation. Connections with the community centre were strengthened. A desire for more fun activities like our ice cream day was discerned!"*
