

WINTER IS COMING AGAIN

SHELTER 4 ALL

Unsheltered
Campaign

Brought to by

The Civic Hub

A Community space for creative action

&

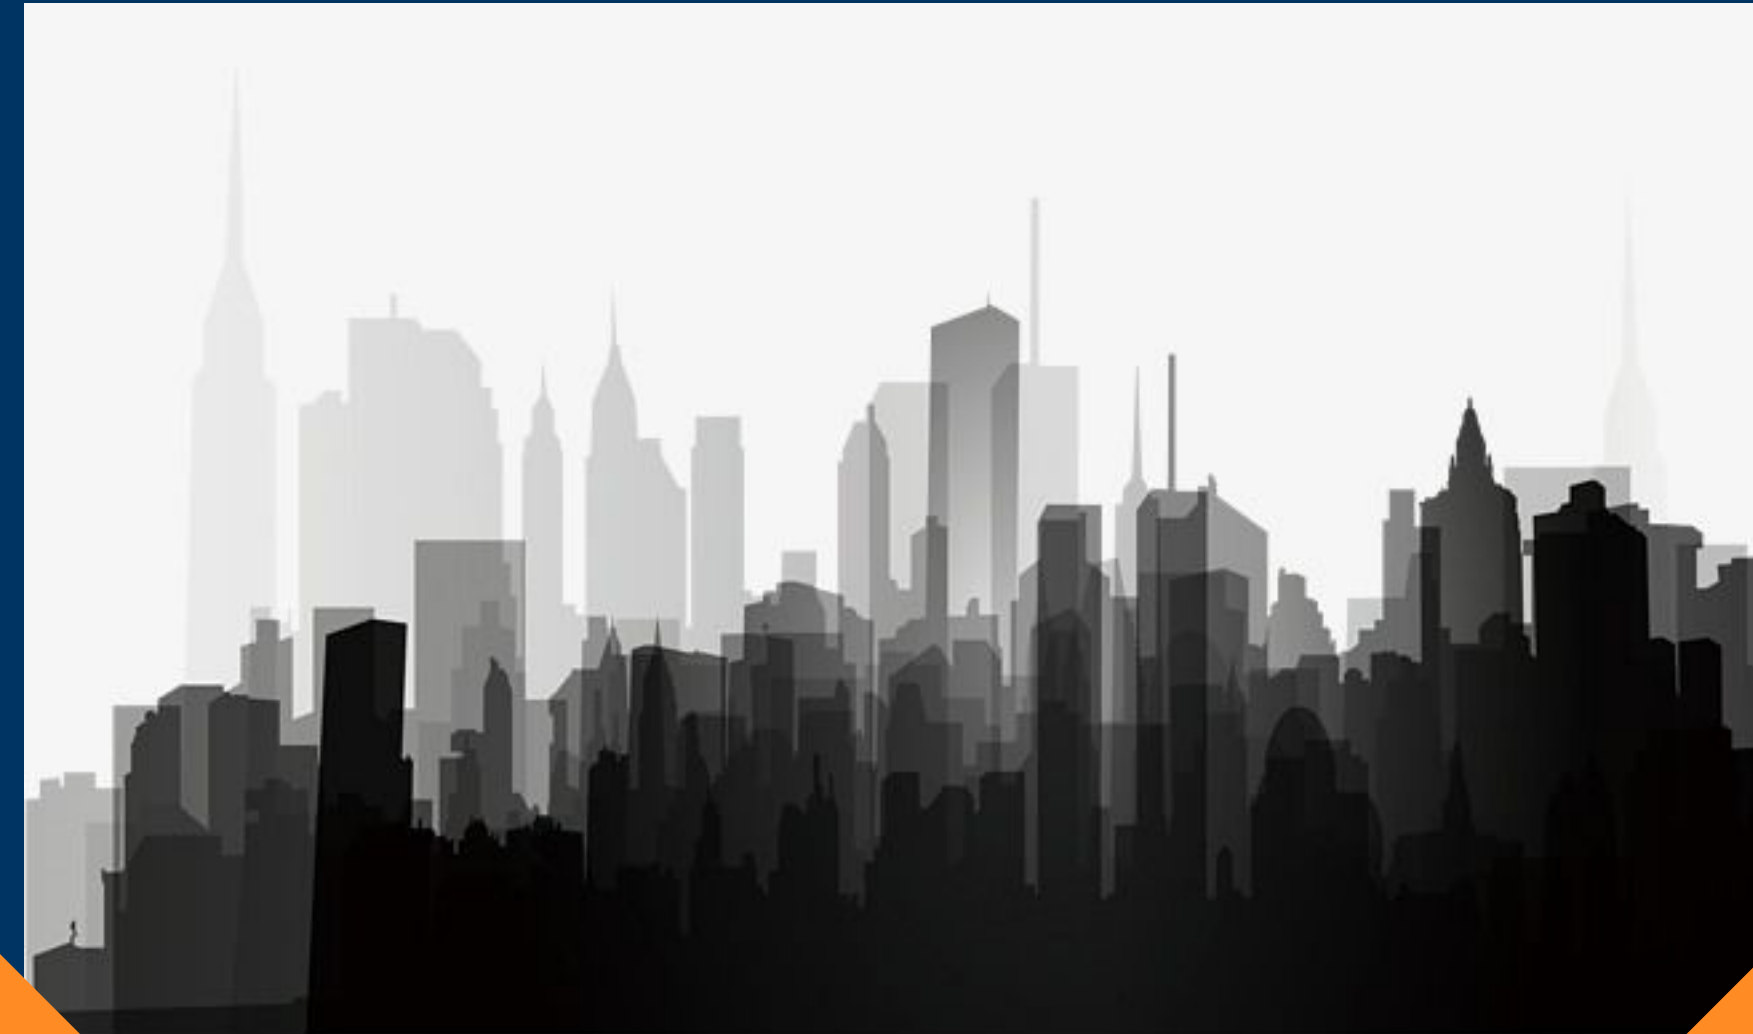

program of

The Social Development Centre

A campaign led by community advocates to provide 24/7 alternatives to shelter for all unsheltered people in Waterloo Region.

Covid - 19 pandemic has forever shifted
the social landscape in Waterloo Region,
and continues to disproportionately
impact marginalized populations.

The **City of the Future** isn't one with flying cars and towers to reach the heaven's —its about regenerative ecosystems, inclusive economies, and just societies where equity and social mobility go hand in hand.
