Community BBQ 🌸

WHO, WHERE & WHEN

Neighbours of Paulander. Paulander Green Space. Saturday, July 22, 2017.

WHAT

An annual neighbourhood BBQ featuring an ART4ALL craft truck, face painting, Henna, and more!

TO BE MORE INCLUSIVE...

This activity was advertised in many ways - Flyers, through the food distribution group, word of mouth and at the community centre. This activity was hosted outdoors, in a central location, easy to access. There were activities for all ages. Everyone was able to share their thoughts about the neighbourhood. This activity was free.

SUCCESS!

"The neighbours got to know each other better and to feel that they all belong to this community. One neighbour came to the BBQ prepared with her own game for everybody to play, she prepared it because she felt that she belongs to this neighbourhood."

"We encouraged everyone to come to the BBQ with their neighbours and friends. We also took this as an opportunity to remind the community about the wide variety of programs available to them at the Paulander Community Centre."
