

Social Development Centre  
WATERLOO REGION

23 Water St N  
Kitchener, ON  
N2H 5A4

## Looking for an opportunity to volunteer and learn about tax preparation?

The Social Development Centre Waterloo Region (SDCWR) is looking for individuals that are interested in learning more about taxes and preparing taxes for low-income individuals.

All individuals will learn about the Canadian tax system and how to prepare taxes. Ideal candidates have a financial background or strong analytical and problem solving skills. Strong English may not be required depending on the interested participants.

Training will be provided starting in November. Sessions are 2 hr/3 days a week for 2 months. Actual timing to be determined based on interested participants. Sessions will be held at the SDCWR location in downtown Kitchener. Some activities can be performed virtually.

Participants will need to support the SDCWR tax program in March and April, preparing returns.

For questions or interest in participating, contact the Social Development Centre Waterloo Region. Email [tax-clinic@waterlooregion.org](mailto:tax-clinic@waterlooregion.org) or call 519-579-3800
