

# Victoria Park

Neighbourhood Party 

## WHO, WHERE & WHEN

Neighbours of Victoria Park. Henry Sturm Greenway. Saturday, September 2, 2017.

## WHAT

*"We had a fun event where people could connect with others over games and free ice cream. We created environmentally friendly bird feeders and encouraged people to use sidewalk chalk to create visual depictions of possible crosswalk designs and community information board ideas."*

## TO BE MORE INCLUSIVE...

*This activity was advertised in many ways - social media, website, flyers, newsletter, invited nearby neighbours in person.*

*This activity was hosted in a greenspace surrounded by paved trails.*

*There was ice cream and sorbet to satisfy diverse dietary restrictions.*

*Every one was able to submit his/her ideas in various ways - online, written, visual/drawn, verbal. This activity was free.*

## SUCCESS!

*"We presented our association's vision for the neighbourhood and sought feedback from residents. We can now take the feedback and incorporate it into our plan for the neighbourhood."*

*"One of our priorities is to include more historical signage and storyboards. We included several historical storyboards at our event to highlight some of the history of our neighbourhood. We also had a representative from the historical gallery in our neighbourhood set up a booth at our event highlighting the history of the area."*
